

Department of  
Chemical & Biomolecular  
Engineering

**THIELE**  
LECTURESHIP

# Generating Functional Materials from Nanostructured Polymers

**Tuesday, October 11 12:30 PM - 155 DeBartolo Hall**

Thomas H. **EPPS**, III

Thomas & Kipp Gutshall Professor of  
Chemical & Biomolecular Engineering  
and  
Professor of Materials Science & Engineering  
**University of Delaware**
