

Join ND Energy and ECI in celebrating World Environment Day

Will your World
Environment
Day activity
stand out?

June 5

Some things you can do:

1. Thank a faculty member who is working to ensure the beauty of our planet for generations to come.
2. Take a photo of yourself with a faculty member on June 5th and send it to bvillaro@nd.edu and tell us something special about it. We'll post it.
3. Post a picture of yourself (and others) enjoying nature and tweet it to [#WorldEnvironmentDay](https://twitter.com/WorldEnvironmentDay) on June 5th.
4. Clean up any rubbish interfering with the beauty of nature surrounding your workplace or home.
5. Take a walk across campus or visit a local park and enjoy the sights, sounds, and smells of nature.
6. Find a place in your yard and plant a tree, shrub, or flower in honor of World Environment Day.
