

Divergent Exit Opportunities for STEM Graduate Students: **LEVERAGING** ON-CAMPUS RESOURCES

Join ND Energy for a panel discussion:

Tuesday, March 20
4:00-5:00pm

Radiation Laboratory
Auditorium

How well is Notre Dame helping graduate students transition into non-academic networks and careers?

Are PI's and the Graduate Career Services adjusting to the changing landscape?

If you are an undergraduate considering continuing your education in energy or other STEM fields, should you pursue a PhD?
