

Free and open to the public.

*Summertime*  
**STARGAZING**

**Friday, July 6, 2018 | 10 pm-midnight**  
**Notre Dame Observatory, Jordan Hall of Science**

Join us on the rooftop observatory at Jordan Hall of Science to gaze at the stars on a summer evening. Astrophysics faculty and graduate students will be on hand to view stars, nebulae and galaxies using telescopes including the 32" Sarah L. Krizmanich Telescope, one of the largest telescopes in Indiana.

This event is dependent upon weather with a cloud/rain date of Friday 13th July. Visit [nduniverse.org](http://nduniverse.org) for any last minute announcements and more information.
