

Después de María
Las 2 orillas

PUBLIC FILM SCREENING WITH DIRECTOR SONIA FRITZ

AFTER MARÍA - THE TWO SHORES

Directed by Sonia Fritz

Join filmmaker Sonia Fritz as she presents her documentary, *“Después de María, las 2 orillas” (After María – the 2 shores)*, which describes how communities and families in Puerto Rico and the diaspora in Orlando, Florida, dealt with the aftermath of Hurricane María. The film focuses on two angles: how community leaders empowered their communities to deal with the disaster, and how families who migrated to the US have helped in the reconstruction of Puerto Rico. A Q&A session with Sonia Fritz will follow the screening.

This event is free and open to the public.
