**WHY  
GO SOLAR  
TOGETHER  
IN 2019?**

Let's Work Together to Make It Easier, Faster, and More Affordable to *Go Solar!*

- 1. Get a Discount:** Leverage Our Community's Buying Power to Reduce Electric Bills for Decades.
- 2. Get a Fair Quote:** Installer(s), Equipment, and Pricing will be Selected Competitively. Join the Selection Committee. June 25th!
- 3. Make It Simple:** Attend the "Going Solar" Workshop to Learn More!

**2019 is the last year that the full 30% Federal Tax Credit is available.**  
**Net Metering is available with NIPSCO and Indiana Michigan Power until July 1, 2032.**

Solarize Northern Indiana is a regional volunteer-powered initiative to make it easier to go solar.

Technical assistance is provided by the Michiana Area Council of Governments (MACOG) and municipalities in Marshall County, Elkhart County, and St. Joseph County.
