

PAID COMMUNITY MEMBER WORKSHOP OPPORTUNITY

**Saturday, December 9th
9:30am - 12:30pm**

Join U.S. Department of Energy Awardees ND Energy and Good Energy Collective for a paid workshop to discuss best practices for community engagement around nuclear waste management in the United States. Attendees to the workshop will be expected to bring their thoughts and questions, engage in group discussions, and share feedback with the ND Energy and Good Energy teams on the structure and topics of the workshop itself.

COMPENSATION: \$22/hour

**CONTACT: gsigmon@nd.edu &
jasper@goodenergycollective.org**

The mission of the Energy Department is to ensure America's security and prosperity by addressing its energy, environmental and nuclear challenges through transformative science and technology solutions. Learn more at energy.gov
