JESSICA BEARD Graduate, Civil Engineering and Geological Sciences
Favorite Energy Source: Nuclear.
One Interesting Fact: I trained last summer to teach yoga (vinyasa).

DEVON DOBSON Junior, Finance
One Interesting Fact: I'm on the ND Lacrosse Team.

JOHN LEON Sophomore, Science-Business
Favorite Energy Source: Algae as a fuel.
One Interesting Fact: Born on Valentine's Day.

DOUG PERNIK Junior, Chemical Engineering
Favorite Energy Source: Solar.
One Interesting Fact: I sing baritone on the Notre Dame Glee Club.

CATHY CHUKWULEBE Freshman, Mechanical Engineering
Favorite Energy Source: Solar.
One Interesting Fact: My Mom is Russian and my Dad is Nigerian. I was born in Russia.

MEGAN DUSTIN Freshman, Environmental Geosciences
Favorite Energy Source: Solar.
One Interesting Fact: I have two extra bones!

HUGO LOZANO Junior, Chemical Engineering
One Interesting Fact: Riding anything with 2 wheels.

COURTNEY PIEHL Junior, Political and Environmental Science
Favorite Energy Source: Solar, because it's clean, renewable, and available pretty much everywhere.
One Interesting Fact: I'm a vegetarian.

LACEY COCHRAN Sophomore, Industrial Design
Favorite Energy Source: Solar.
One Interesting Fact: I play the banjo.

TYLER EVANS Junior, Environmental Sciences
Favorite Energy Source: Solar.
One Interesting Fact: I've climbed 20 of Colorado's Fourteeners.

JAKE LUSSEY Senior, Computer Science
Favorite Energy Source: Nuclear.
One Interesting Fact: Next year I plan to pursue doctoral studies in data mining and machine learning.

JONATHAN CONWAY Senior, Chemical Engineering
One Interesting Fact: I drank water off a glacier in Alaska.

LAUREN FRITZ Freshman, Chemical Engineering/Biology
Favorite Energy Source: Solar energy, because the sun doesn't let you down.
One Interesting Fact: I'm from a little town in northern Idaho and I live on Lake Coeur d'Alene, not on a potato farm.

LINDSAY MCSWEENEY Freshman, Political Science
Favorite Energy Source: Solar.
One Interesting Fact: I have an identical twin sister.

NIGERIAN. I was born in Russia.

FAVORITE ENERGY SOURCE

COLLEEN DAWES Junior, Program of Liberal Studies
Favorite Energy Source: Solar.
One Interesting Fact: My favorite food is green grapes.

MICHIELE FUHRMAN Junior, Chemical Engineering
Favorite Energy Source: Nuclear.
One Interesting Fact: I toured an Iberdrola wind farm in Spain.

SAMANTHA MILLER Senior, Chemical Engineering
Favorite Energy Source: Nuclear. I worked at a nuclear engineering facility, and I think nuclear energy can be a cleaner, reliable way to provide for our base load energy demands.
One Interesting Fact: I'm vegetarian.

CLARA SIERADZKI Freshman, Civil Engineering
Favorite Energy Source: Nuclear.
One Interesting Fact: Loved being a part of the Energy Policy Seminar this past fall break!

ELIZABETH DAVIS Junior, Program of Liberal Studies
Favorite Energy Source: Solar.
One Interesting Fact: My favorite food is green grapes.

SUSAN GARABEDIAN Junior, Chemical Engineering
Favorite Energy Source: Solar.
One Interesting Fact: I have never broken a bone.

ROCIO MIRAMONTE Junior, Chemical Engineering
Favorite Energy Source: Cleaner coal, because of its high energy content, and with improvements in technology we can decrease its negative effects on our Earth.
One Interesting Fact: I once had to get 200 stitches on my face.

MEHAN LENZEN Senior, Environmental Geosciences
Favorite Energy Source: Nuclear.
One Interesting Fact: I used to have a southern accent.

YCHAO PAN Junior, Mechanical Engineering
One Interesting Fact: I am from China, but I don't play ping pong.

JUSTIN PELLINO Freshman, Business/Economics
Favorite Energy Source: Solar.
One Interesting Fact: My dream job is to be a food critic.

FAVORITE ENERGY SOURCE

PATRICK GRIFFIN Senior, American and International Peace Studies
Favorite Energy Source: Solar.
One Interesting Fact: Currently working as a Regional Ambassador for the Environmental Defense Fund to promote clean energy and public health.

ESTEFAN ORTIZ Graduate, Electrical Engineering
Favorite Energy Source: Ocean Wave Energy (Turbine Systems due to the oscillating water column).
One Interesting Fact: I know how to longboard surf.

NATHALIA SILVESTRI Freshman, Graphic/Industrial Design
Favorite Energy Source: Solar.
One Interesting Fact: I am double jointed and can turn my hand 360 degrees!

COOLEN REIDY Freshman, Mechanical Engineering
One Interesting Fact: I have sung opera in high school.

ELIZABETH BEARD Graduate, Civil Engineering and Geological Sciences
Favorite Energy Source: Nuclear.

FAVORITE ENERGY SOURCE

ROXIO MIRAMONTE Junior, Chemical Engineering
Favorite Energy Source: Cleaner coal, because of its high energy content, and with improvements in technology we can decrease its negative effects on our Earth.
One Interesting Fact: I once had to get 200 stitches on my face.

MEHAN LENZEN Senior, Environmental Geosciences
Favorite Energy Source: Nuclear.
One Interesting Fact: I used to have a southern accent.

YCHAO PAN Junior, Mechanical Engineering
One Interesting Fact: I am from China, but I don't play ping pong.

JUSTIN PELLINO Freshman, Business/Economics
Favorite Energy Source: Solar.
One Interesting Fact: My dream job is to be a food critic.

FAVORITE ENERGY SOURCE
